

Cheat Sheet (preparation for heist)

Section 1 of activity:

1. Discuss with your team which of the challenges to do.
2. Refer to our guides on how to TikTok below.
 - a. Tiktok tutorial 101: <https://www.youtube.com/watch?v=apoVa0gwER8>
 - b. Tiktok Guide:
 1. Click on the '+' button. If it is your first time to shoot, you need to allow TikTok to access your camera and recorder.
 2. You can set up the timer for the video at the right hand side of the page.
 3. Choose your music under 'Sounds' at the centre-top of the page.
 4. Once the film is done, press the red check button to go to the editing page.
 5. Click 'Next'. Select 'Save to device'. Change the setting under 'Who can view this video' to 'Private'.
 6. Click 'Post'.
 7. Go to your phone's photo album and send the video to your respective whatsapp group.

If you need to edit the videos...Softwares for video compilation/editing: iMovie (mac), Photos (Windows 10), Windows Movie Maker (<Windows 10)

Section 2 of activity:

1. Choose your representative
2. The representative to choose a random number from 1-4
3. Whichever team that completed the **MOST** number of challenges will get to choose first.
ELSE, the team that completed the challenges within a **SHORTER DURATION** will get to choose first.

Section 3 of activity:

1. Photos (selfies with the items) to be sent to the respective Wapp group and captioned with the type of item & quantity
(e.g. nail clipper x2)
2. **REMEMBER** to **DISCUSS** with the team on who to collect each item! Be **EFFICIENT**!
3. Use your chance cards anytime during the game!

The team who collected all the items **FIRST** will win the game.

ELSE, at the 15 min mark, the team with the **MOST** number of items collected (total quantity) will win the game.

Overview of Preparation of Heist

Game comprises of 3 sections: Challenges, Chance and Scavenger Hunt

Objective: Acquire materials for the Heist

Applications needed: Tiktok, whatsapp and video compilation applications (eg: OSX: iMovies ;
Windows < 10: Windows Movie Player ; Windows 10: Photos)

Section 1: Challenges (25 mins)

- Each OG is to complete a minimum of $\frac{1}{2}$ or $\geq \frac{1}{2}$ challenges within 25 minutes to qualify for **ONE** or **TWO** blind draw of Chance cards respectively in section 2
- Tip: Chance cards will be extremely useful in section 3 so do try your best to attain the maximum amount
- To split into your respective groups (Group 1 and Group 2) to discuss and complete the challenges
- Further details (links for whatsapp group, instructions and cheatsheet) will be provided by the proggies in charge inside each breakout room
- Label your videos in the following format: <Your name>_<Challenge no.> and send them to your respective whatsapp groups for your assigned proggies to vet

Overview

Section 2: Chance cards (10 mins)

- Everyone is to leave the breakout room and reconverge back to the main zoom call
- There will be a total of 4 unique chance cards for the groups to choose from (labelled number 1 to 4)
- Groups take turns to draw one by one. Each group is to assign a freshie to choose the chance card
- The group that finishes the most amount of challenges in the shortest span of time gets to choose first
- Chance cards cannot be chosen more than once
- Chance cards can be used anytime during section 3

Overview

Section 3: Scavenger Hunt (15 mins)

- Chance cards earned can be played in this section
- Find the items according to the list given as quickly as possible
- Enter the respective breakout rooms once again, and the proggies in charge of each room will be sending the details to each group (instructions, list of items to collect and chance cards earned in the previous section)
- Take a selfie with the item and send it into the whatsapp chat in the following format:
<Item>_<Qty>
- View the consolidated sheet of items that will be updated live!
- The team that finds all the items in the shortest duration is the winner,
- ELSE at the end of the game, the team that found the most number (quantity) of items will win!
